AMENDMENT AND RESPONSE TO RESTRICTION REQUIREMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In response to the Office Action mailed March 9, 2005, applicant

respectfully requests the Examiner to enter the following amendment and

consider the following remark:

IN THE CLAIMS

        Please cancel claims 11-30 without prejudice.

1. (Original) A method comprising:

        receiving a frame of data transmitted across a network into a receiving

                buffer of a target computer system;

        recognizing and initiating a copy of said frame of data, said initiating

                comprising identifying at least one available Application Memory

                (AM) buffer in which to store a payload of said frame of data;
